

Press Release

## **YPOG advises the shareholders of Vimcar on the sale to Battery Ventures**

**Berlin/Hamburg, January 11 2023** – YPOG comprehensively advised the shareholders of Vimcar GmbH on the sale of their shares to the global investment company Battery Ventures.

Battery Ventures will accompany Vimcar as a global partner in the next growth phase with the aim of creating a pan-European provider of digital fleet management.

The mobility revolution poses significant challenges for companies with their own vehicle fleets. In addition to rising operating costs, they must meet CO2 reduction targets, often by switching to electromobility, while of course ensuring mobility at all times.

### **Advisors to the Vimcar shareholders:**

Dr. Tim Schlösser (Lead, Transactions, Corporate), Partner

Dr. Malte Bergmann (Tax), Partner

Dr. Benjamin Ullrich (Transactions, Corporate), Partner

Dr. Benedikt Flöter (IP/IT), Associated Partner

Barbara Hasse (Transactions, Corporate), Associate

Dr. Karen Frehmel-Kück (Transactions, Corporate), Senior Associate

### **About Vimcar**

Vimcar, a Berlin-based ScaleUp company, is a leading provider of fleet management software solutions for small and medium-sized enterprises with fleets of up to 200 vehicles. Its SaaS solutions cover all aspects of fleet management - from real-time tracking to theft alerts and route planning. The company's own market-leading digital logbook meets all the requirements of the tax authorities in the DACH region. More than 60,000 customers already drive with Vimcar's award-winning software. Among them are Deutsche Bahn, Allianz, Free Now, Knauf, Koziol and Nippon Seiki.
